English language pathways to UWA degrees

UWA CELT offers two pathways to improve English language proficiency to the level required by the University for entry into its undergraduate and postgraduate programs.

The most common pathway is via UWA CELT’s Academic English and Study Skills Bridging Course, (Bridging Course) which offers direct entry into tertiary studies at UWA. This course is best for students who meet the Bridging Course’s entry standards and who can enrol for 10 or 20 weeks of intensive study.

OPTION 1:

Academic English and Study Skills Bridging Course

The Bridging Course has been designed for international students who wish to study at UWA but do not have the required level of English language proficiency. The program is also suitable for students with unconditional entry into UWA who would like to further develop their confidence, language ability and to better cope with the demands of the academic environment before commencing their tertiary studies.

A 70% pass in the Bridging Course meets the University’s English language requirement for most under- and post-graduate courses that require an IELTS of 6.5 with no band below 6.0. However, some courses at UWA have higher entry requirements, for instance:

- Master of Business Administration (flexible and full-time) require an overall 75% with no skill below 70%
- All Faculty of Law courses require an overall 85%
- The Bridging Course will help students to:
  - Develop their knowledge of the language of their chosen discipline
  - Develop an understanding of the Australian academic and research culture
  - Develop a high level of analytical and reflective skills in an Australian academic context
  - Module 2 gives students an opportunity to work on a research paper and portfolio in their discipline area and on research presentations
  - Develop strategies to attribute literary sources appropriately
  - Develop the capacity to be autonomous learners at an Australian university with the confidence to participate freely and appropriately in academic situations

UWA CELT’s Bridging Course has been granted NEAS Premium Product Endorsement.

The 20 week Bridging Course has two modules, the course hours for each module are as follows:

Module 1 - 20 hour program per week
Module 2 - 25 hour program per week

Students unable to meet the Bridging Course entry requirements have the option of improving their English competency by starting with an English for Academic Purposes, or General English course at UWA CELT.

OPTION 2:

English for Academic Purposes + IELTS/TOEFL examination

An alternative pathway for university entrance is available through our English for Academic Purposes program, together with preparation for the IELTS or TOEFL examination.

Whilst it is a structured course with an underlying pedagogy, English for Academic Purposes, which is offered in five-week modules, is modified every term to meet the needs of the class group.

By accommodating itself in this way to the knowledge and ability of its students, this course offers a highly supportive means to develop academic skills and English language ability. This focus on student needs incorporates assessment of achievements according to the composition of each class. For this reason, students choosing to study English for Academic Purposes must also sit an IELTS or internet-based TOEFL examination.

UWA CELT hosts test centres for the internationally recognised IELTS and TOEFL examinations.

CELTS Courses

UWA CELT offers accredited English language programs in General English, Business English and English for Academic Purposes, as well as preparation for internationally recognised examinations such as Cambridge, IELTS, TOEFL and TOEIC. Choosing the best course for you will depend on your goals and your level of language ability. UWA CELT offers different courses from beginner to advanced to help you develop your language proficiency.

**General English (GE)**

- **Length of course:** From 5 to 45 weeks
- **Intake period:** 9 intakes each year
- **Mode of study:** 20 hours per week
- **Levels offered:** Beginner to advanced

General English classes are for learners who wish to improve their ability to communicate in English. These classes are also a pathway to all other English language programs at UWA. In five-week modules, students practise reading and listening while developing the skills to write and speak clearly and coherently by formulating their message with confidence.

**Business English (BE)**

- **Length of course:** 5 weeks
- **Intake period:** subject to student numbers
- **Mode of study:** 20 hours per week
- **Levels offered:** Upper-intermediate to advanced

Business English classes are for learners who are interested in the language of business and employment. Each five-week module focuses on business topics of interest to students such as tourism, marketing and international business. Business English helps learners to use business vocabulary, listen and read in business situations, and write reports, letters and other forms of business communication. Through Business English, students develop the ability to communicate effectively in business and social settings as well as their knowledge of cross-cultural business practices.

**English for Academic Purposes (EAP)**

- **Length of course:** From 5 to 45 weeks
- **Intake period:** 9 intakes each year
- **Mode of study:** 20 hours per week
- **Levels offered:** Upper-intermediate to advanced

English for Academic Purposes classes are for learners who want to develop their English language ability in preparation for tertiary studies in an English-speaking country. In five-week teaching modules, learners develop listening and note-taking skills, seminar and presentation skills together with academic reading and writing skills. Students learn library search skills and develop their proficiency in using information technology. They also learn to adapt to the academic culture of Australian tertiary institutions.

Note: This course is promoted internally and runs subject to adequate student numbers.

**TOEFL Examination Preparation**

- **Length of course:** 5 weeks
- **Intake period:** 3 intakes each year
- **Mode of study:** 20 hours per week
- **Levels offered:** Upper-intermediate to pre-advanced

UWA CELT delivers preparation courses for the internationally recognised TOEFL examination. There are three TOEFL terms per year, prior to examinations in January, March and June. In addition, UWA CELT delivers part-time one-week intensive courses delivered four times per year.

Students wishing to take the TOEFL test will be able to register and sit the exam at the UWA TOEFL Test Centre at Claremont campus.

**IELTS Examination Preparation**

- **Length of course:** 5 weeks
- **Intake period:** 3 intakes each year
- **Mode of study:** 20 hours per week
- **Levels offered:** Upper-intermediate to advanced

UWA CELT delivers preparation courses for the internationally recognised IELTS examination. There are five terms per year for the intensive 20-hour per week course.

In addition, UWA CELT delivers part-time IELTS intensive one-week or four-week evening courses throughout the year.

Students wishing to take the IELTS test will be able to register and sit the exam at the UWA IELTS Test Centre at Nedlands campus.

**TOEIC Examination Preparation**

- **Length of course:** 5 weeks
- **Intake period:** 2 intakes each year
- **Mode of study:** 20 hours per week
- **Levels offered:** Upper-intermediate to advanced

UWA CELT offers preparation courses for the internationally recognised TOEIC examination. There are two terms offered per year for the intensive 20-hour per week course.

In addition, UWA CELT delivers part-time one-week intensive courses delivered four times per year.

**Cambridge Examination Preparation: FCE & CAE**

- **Length of course:** 10 weeks
- **Intake period:** 3 intakes each year
- **Mode of study:** 20 hours per week
- **Levels offered:** Upper-intermediate to advanced

UWA CELT offers preparation courses for the internationally recognised Cambridge English language examinations. There are three Cambridge terms per year, prior to examinations in January, March and June. UWA CELT prepares students for the Certificate in Advanced English (CAE), for students at a pre-advanced level and First Certificate in English (FCE), for students at the upper-intermediate level.

Note: This course is promoted internally and runs subject to adequate student numbers.

Sample Timetables for ELICOS Courses

UWA CELT runs dual timetables for our ELICOS programs, including:

- General English
- Business English
- English for Academic Purposes
- Examination Preparation Courses: IELTS, TOEFL, TOEIC and Cambridge: FCE & CAE

Students will either study a morning program from 8:30am to 12:45pm, or an afternoon program from 1:15pm to 5:30pm. Students do not need to identify which timetable they would like to enrol in. The Centre will place students in the most appropriate timetable based on their level of English and general demand.

The following progression chart shows UWA CELT’s courses and levels, and the average number of weeks of study required. It also provides an approximate correlation between the Common European Framework of Reference (CEFR) levels and UWA CELT’s levels of study. It is important to note that progression through the levels at UWA CELT is approximate and based on the average English language learner.
### Study Tours

If a student group wants to get a ‘tasting plate’ of the University of Western Australia and UWA CELT, a short-term study tour that combines any or all of the following - academic study, Australian culture and English language - could be just the answer.

International students come to UWA for study tours for a variety of reasons. They may not have travelled outside their country before or ever been to Australia. They may want to experience world-class education in a beautiful setting; or wish to see exotic animals like the kangaroo, koala and quokka up close.

These new experiences are exciting and available with these choices in almost any length of study:

I completed the 20-week BC course at UWA CELT in 2015 and am currently studying the Master of Translation Studies at UWA. It is a really useful and practical course. I acquired skills such as notetaking, paraphrasing, summarising and academic writing. These skills are necessary for your degree course and I would recommend the Bridging Course to any student!*

We chose UWA CELT because it belongs to the University of Western Australia so we believe that UWA CELT will provide the best education system. We started with General English and will soon complete the Bridging course, with my English language skills improving significantly. I look forward to commencing the UWA Master in Infectious Diseases course.*

My reason for studying English at UWA CELT is to give myself more opportunities in the future for a better job. The things that I enjoyed most at UWA CELT are the classes which were interesting. The workshops and activities were also a lot of fun, especially the original aboriginal inspired art; we also got a chance to practice our conversational English while doing this activity.*

I am currently completing a Master’s degree of Engineering in Oil and Gas by coursework at UWA, and I completed my ten-week Bridging Course through UWA CELT.

By doing the Bridging Course, I learned other required qualities for my current study, for instance, giving a presentation in English, writing an academic essay and conducting research independently. Those qualities are constantly used in my Master’s course.

The greatest challenge for many international students, actually, is not English, but to alter their point of view towards academic study. The Bridging Course offered a tremendous help in adapting to study at UWA.*

Activities and Excursions

UWA CELT runs a wide variety of on-and-off campus, student social activities and excursions.

Students have opportunities to visit various locations in Perth and explore the city they live in. Students practice their conversation and listening skills as well as make life-long friends.

Most activities and/or excursions are inexpensive or even free. Some of the activities and excursions that our students have enjoyed are trips to:

- Cottesloe Beach
- Boxing
- Art and Conversation Classes
- Caversham Wildlife Park
- Swan River Cruise
- Swan Valley Tour: Chocolate Factory & Wine Tasting
- Craft Corner
- Sports Competitions
- Healthy Cooking
- Singing Club
- Rottnest Island
- Fundraisers
- Social Soccer

Living with a family

Homestay accommodation

This accommodation is best for students who want to experience Australian family life and have the support of an English speaking family. Homestay families are located throughout the metropolitan area and students may need to take public transport to UWA. Students share meals and facilities with the host family but have their own private bedroom.

Note: private shared accommodation is advertised locally on the student notice boards by current students.

Finding a home away from home

UWA CELT can help you arrange homestay accommodation.

Accommodation

The UWA Accommodation website provides useful information about the different types of accommodation available on campus or in a UWA Crawley property.

Perth offers an inspiring study environment with sunny weather, a relaxed outdoor environment and beautiful natural scenery. For several years in a row, Perth has been recognised as one of the top 10 most liveable cities in the world.

People from across the world are drawn to Western Australia. Our State has become the most culturally diverse, with around 30 per cent of the population born elsewhere and over 170 nationalities represented across the community.

2

Perth offers a high standard of living and has achieved positive rankings (35th) in the Best Student Cities 2016 published by QS Top Universities.

A changing city
Perth has had one of the most consistent rates of economic growth in Australia over the past decade. Perth’s economic and population growth is driven by a mixture of local and international firms operating in a range of industries, supported by a stable political environment and local demand.

Globally oriented
Over 820 Australian Securities Exchange (ASX) listed companies have chosen to locate their head office in Perth — more than any other capital city in Australia.

Stunning scenery and an outdoor lifestyle
Perth is Australia’s sunniest capital city, and the Mediterranean climate of warm, dry summers is ideal for sports and outdoor activities. Explore WA further to discover our State is blessed with precious natural phenomena, from the towering karri forests and pristine beaches of the South West, to the rugged ranges and spectacular gorges of the Kimberley.

Safe and friendly
Perth offers a high standard of living and has achieved positive rankings (35th) in the Best Student Cities 2016 published by QS Top Universities.

Convenient facilities
Perth’s public transport system makes it easy to get around the city and to the main UWA campus. International students receive a Western Australian Government-sponsored 40 per cent discount on all public transport. Perth also has free buses called CATs that operate around the central business district.
Western Australia

Western Australia covers one-third of the Australian continent. Spanning over 2.5 million square kilometres (1 million square miles), Western Australia extends into two different climatic zones. When it is warm and dry in the north of the State, it is cool and wet in the south. Bordered largely by desert to the east, Western Australia is bounded by 12,500 kilometres (7813 miles) of the world’s most pristine coastline to the west. Western Australia is a land blessed with some of the world’s most precious natural phenomena including the dolphins of Monkey Mia, the 350-million-year-old Bungle Bungle range and the towering karri forests of the South West. Venture beyond Perth to see a vast country of big experiences. Be in awe of landscapes carved by nature over millions of years. Immerse yourself in Aboriginal culture. Get up close and personal with the unique flora and fauna of Australia. Situated in the far north is the Kimberly region, an ancient landform of rugged ranges with deep, spectacular gorges and pristine sandy beaches.

How to apply

1. Decide which course you would like to apply for
   Consult this brochure and the UWA CELT website - www.celt.uwa.edu.au/courses - to choose a program that best suits your goals.

2. Choose a visa to match your course and study duration
   You can study full-time or part-time for up to 12 weeks if you have a visitor visa or 17 weeks on a working holiday visa. If you want to study for longer, you must study full-time on a student visa. Please check the Department of Immigration and Border Protection’s website - www.border.gov.au - for visa requirements.

3. Complete the application form
   Visit our website - www.celt.uwa.edu.au/courses/apply - to download the application form. Complete all sections of the form including the personal details, study plan and visa information. Please read the terms and conditions of enrolment before completing and signing the form.

4. Send your application to the Centre
   a. Through a University representative. We encourage you to submit your application through one of the Centre’s official representatives. For a full list, visit: www.celt.uwa.edu.au/courses/apply
   OR
   b. Submit an application directly to the Centre. Forward the completed and signed application form to:
      UWA CELT’s Enrolments Officers at:
      Email: enrolments-celt@uwa.edu.au

5. Offer letter
   The Centre will process your application and will send you a letter of offer and acceptance documents. The offer letter will include an invoice for your course, and other applicable fees (including accommodation if requested), and Overseas Student Health Cover if you are applying for a student visa.

6. Acceptance
   On receipt of your offer letter, you should sign the acceptance documents and return them with your payment directly or via an official CELT overseas representative. Once these are received by the Centre you will be emailed orientation information along with your Confirmation of Enrolment (CoE), which you will need to commence your visa application process (if you are applying for a student visa).

7. Travel and visa arrangements
   You will be required to make your own travel and student visa arrangements. UWA CELT’s overseas representatives will also be able to help you with these arrangements if you need any additional advice or assistance. Students arriving on a tourist or working holiday visa are advised to arrange their own health insurance cover prior to travel. All students are recommended to purchase private travel insurance to cover their personal belongings for the duration of their study and any extended time in Australia.
